APPLICATION METHOD

SURFACE PREPARATION

Surface must be clean and removed from dust and other foreign materials (oil, silicone, varnish residues, etc.)

PACKAGING

3 KG / 15 KG

KEY INFO

There is no difference in the natural appearance and color of the wood after application.

The varnish of the surface can only be understood when touched by the silky texture created by Genç Natural Varnish.

It is recommended to apply 2 coats and using light colored wood in a total not exceeding 100 gr/m².
